

IMMEDIATE PRESS RELEASE March 17, 2008

JAYENDRA A. SHAH CANDIDATE LA COUNTY SUPERVISOR 4TH DIST. ON JUNE 3 08

It gives me a great pleasure to officially announce now that all the formalities are completed to be a candidate in the upcoming election to be held on June 3, 2008 for the POST of 4th District La County Supervisor. We have committee to elect Dr. SHAH as Supervisor. We paid money to the office of county registrars for my 200 words statement. He will be mailing it to all one million registered voters in 70 cities as Election NOTICE.

We now have an active campaign and are looking for volunteers in all cities of Southern California. Volunteers are needed for phone support, phone bank, PLUS door to door canvassing and distribution of flyers. We need house parties for fund raising too.

We need financial help and funds by donors and supporters. Maximum contribution limit IS \$1000.00. We are seeking the support of the communities in Southern California. Now we have our own candidate from India ,first generation activists --contesting election in mainstream politics. It is essential for our survival. We have already wasted 40 years.

I am proud to be an Indian by birth. I am a US citizen since 1977 and a retired USAF Major and flight surgeon. I have been a MD for over 45 years and an expert in improving the quality of medical care for LA County as Physician Specialist for 32 years. We—SHAHS-- have served selflessly our community as volunteers for social, political, religious, and cultural activities. Founder and pioneer of many community and religious and political Organizations & FREE health fairs since 1978. . we know, we will have some rotten apples, Who in name of voluntary services, just interested in own pockets and destroy our credibility in mainstream America. so good citizens blame all workers or organizations.

I am Gujarati , Vanik Vaishnav and B J Medical Graduate from Ahmedabad INDIA .

THIS IS AN AWAKENING CALL FOR ALL NRI's and PIOS. NOTE Truth is always bitter. Delayed justice means no justice. Similarly if we lose opportunity to unite now in 2008, we will be delaying unity and it will seriously harm survival of our second generation. We want best for them as we have STRUGGLED LOT for 40 years in USA.

Please stop infighting ,super egotism and jealousy as it will reduce our judgment. We must unit at any cost. THERE IS NO IF AND OR BUTS ABOUT IT. WE MUST SUPPORT ALL INDIANS SEEKING POSITIONS IN MAINSTREAM POLITICS. THEY ARE TRAIL BLAZERS. THEY MAY WALK ALONE, BUT WE MUST HAVE COURAGE TO FOLLOW THEM IN PATH. WE MUST HAVE PATRIOTIC FERVER SO THAT WE ALL CAN BENEFIT.

AFTER MULTIPLE DIVISIONS IN OUR COMMUNITY OF NRIS-, REVIEW OF ROOT CAUSES, I MUST REQUEST ALL ACTIVISTS-LEADERS, to introspect-look inside ourselves and make a decision .We need to tell us , be accountable, if trustee, be trustworthy. No one can judge you except yourself. Even if no one knows our wrongdoings, we ourselves do know it in our heart.. we all need courage to change for better. i wish we all get blessings of GOD.
